

ORDINANCE No. 3

AN ORDINANCE AUTHORIZING THE CONSTRUCTION OF ADDITIONS AND IMPROVEMENTS TO THE SEWAGE WORKS SYSTEM OF THE CITY OF ROCKPORT, INDIANA; AUTHORIZING THE ISSUANCE OF REVENUE BONDS TO PROVIDE FUNDS FOR THE PAYMENT OF THE COSTS THEREOF; AUTHORIZING THE REDEMPTION OF THE CITY'S 2023 BAN; AUTHORIZING THE COLLECTION, SEGREGATION AND DISTRIBUTION OF THE REVENUES OF SUCH SYSTEM, THE SAFEGUARDING OF THE INTERESTS OF THE OWNERS OF SUCH REVENUE BONDS AND OTHER MATTERS CONNECTED THEREWITH, INCLUDING THE ISSUANCE OF NOTES IN ANTICIPATION OF SUCH BONDS; AND REPEALING ORDINANCES INCONSISTENT THEREWITH

WHEREAS, the City of Rockport, Indiana (the "City"), has heretofore established, acquired, constructed and financed its sewage works system (the "System") and now owns and operates the System pursuant to INDIANA CODE 36-9-23 *et seq.*, as in effect on the issue date of the bond anticipation notes or the bonds, as applicable, which are authorized herein (the "Act"); and

WHEREAS, the Common Council of the City (the "Common Council") previously adopted Resolution No. 2022-6, on October 13, 2022 (the "2022 Resolution"), authorizing the issuance and sale of its sewage works revenue bonds and sewage works bond anticipation notes; and

WHEREAS, on February 9, 2023, pursuant to the 2022 Resolution, the City issued and sold its Sewage Works Bond Anticipation Note of 2023 (the "2023 BAN"), in the aggregate principal amount of \$1,600,000, for payment of preliminary expenses, including engineering fees and construction management fees in connection with the Projects (as hereinafter defined), which 2023 BAN is payable from the proceeds of bonds issued under the 2022 Resolution or the proceeds of the sale of any bonds, note or other evidence of indebtedness that may be issued by the City for the purpose of retiring the 2023 BAN; and

WHEREAS, the Common Council now finds that there is a need to undertake two separate and independent improvement and extension projects (individually, "Project A" and "Project B" and collectively, the "Projects") to the City's sewage works and that it is advantageous for the City and its taxpayers to finance the separate and independent Projects through one bond issue in order to minimize the necessary and incidental financing costs for the benefit of the City's taxpayers; and

WHEREAS, the engineers employed by the City (the "Engineers"), have or will prepare and file plans, specifications, detailed descriptions and estimates of the costs of the necessary improvements and extensions required for each of Project A and Project B, which plans and specifications for such Projects, to the extent required by law, have been or will be duly submitted to and approved by the City and all governmental authorities having jurisdiction thereover, particularly the Indiana Department of Environmental Management (the improvements and

extensions required for each of Project A and Project B are described in the Engineers' plans and specifications, more fully set forth and described in Exhibit A); and

WHEREAS, the City has or will advertise for and receive bids for the construction of the Projects, and such bids will be subject to the City's determination to acquire, construct and install the Projects and the City obtaining funds for each of Project A and Project B; and

WHEREAS, the Common Council further finds that the estimates prepared and delivered by the Engineers with respect to the costs of acquisition and construction of such improvements and extensions arising from the Projects, as well as for the redemption of the 2023 BAN, together with all authorized expenses relating thereto, including the cost of issuance of bonds on account thereof, will be in the estimated amount not to exceed Thirty-Three Million Six Hundred Thousand and 00/100 Dollars (\$33,600,000), to be financed by the issuance of revenue bonds and/or bond anticipation notes of the City under the provisions of this ordinance and the Act; and

WHEREAS, the Common Council finds that there are not sufficient funds available of the sewage works to apply to the redemption of the 2023 BAN and to the costs of Project A and Project B and that it is necessary to issue sewage works revenue bonds and, if necessary, bond anticipation notes (the "BANs"), to pay the costs of such Projects and the redemption of such 2023 BAN, and the Bonds (as hereinafter defined) and the BANs, if issued, shall be issued to (i) redeem the 2023 BAN, (ii) pay such costs of the Projects, including incidental expenses, (iii) capitalized interest on the Bonds and (iv) expenses incurred in connection with or on account of the issuance of the Bonds; and

WHEREAS, the City has received an offer from the United States of America, acting through the United States Department of Agriculture, Rural Development ("Rural Development") to provide loan funds to partial fund the costs of the Projects; and

WHEREAS, in accordance with its letter of conditions dated September 9, 2021, as may be amended or revised ("Letter of Conditions"), Rural Development has agreed to loan the City an amount not to exceed the aggregate amount of \$15,290,000 to partially pay costs of the Projects, which loan will be secured by the anticipated issuance of the Bonds (as hereinafter defined); and

WHEREAS, the Bonds will constitute a first charge against the Net Revenues (as hereinafter defined) of the System, and are to be issued subject to the provisions of the laws of the Act and the terms and restrictions of this ordinance; and

WHEREAS, the City desires to authorize the issuance of the BANs hereunder, if necessary, payable solely from the proceeds of the Bonds issued hereunder; and

WHEREAS, the City has no outstanding revenue bonds, obligations, or other pledges against the Net Revenues of the System; and

WHEREAS, the Common Council now finds that all conditions precedent to the issuance of the BANs and the Bonds have been or will be met; and

WHEREAS, the City desires to enter into a Financial Assistance Agreement, Funding Agreement, Grant Agreement, and/or Financial Aid Agreement (in substantially the form attached as Exhibit B hereto and made a part hereof) with the Indiana Finance Authority (the “Authority”) together with any subsequent amendments thereto (collectively, the “Financial Assistance Agreement”) as part of its wastewater loan program, supplemental drinking water and wastewater assistance program, water infrastructure assistance program and/or wastewater infrastructure grant program (collectively, the “IFA Program”), which would pertain to Project A and the financing thereof, if the Bonds or BANs are sold to the Authority pursuant to its State Revolving Fund Loan Program established and existing pursuant to INDIANA CODE 5-1.2-1 through INDIANA CODE 5-1.2-4, INDIANA CODE 5-1.2-10, INDIANA CODE 5-1.2-11, INDIANA CODE 5-1.2-14 and/or INDIANA CODE 5-1.2-14.5; and

WHEREAS, the City may accept other forms of financial assistance, as and if available from the IFA Program and Rural Development; and

WHEREAS, the Common Council understands that for the Projects to be permitted to be financed under the IFA Program, the City must (a) agree to own, operate, and maintain the sewage works and the Projects for the duration of their useful life and (b) represent and warrant to the Authority that the City has no intent to sell, transfer, or lease the sewage works or the Projects for the duration of their useful life; and

WHEREAS, this Common Council now finds that all conditions precedent to the adoption of an ordinance authorizing the issuance of the BANs and Bonds to provide the necessary funds to be applied to the cost of the Projects have been complied with in accordance with the provisions of the Act; and

WHEREAS, it is anticipated that the City may advance all or a portion of the costs of the Projects prior to the issuance of the BANs or the Bonds, with such advances to be repaid from proceeds of the BANs or the Bonds upon the issuance thereof; and

WHEREAS, Section 1.150-2 of the Treasury Regulations on Income Tax (the “Reimbursement Regulations”) specifies conditions under which a reimbursement allocation may be treated as an expenditure of bond proceeds, and the City intends by this ordinance to qualify amounts advanced by the City to the Projects for reimbursement from proceeds of the BANs or the Bonds in accordance with the requirements of the Reimbursement Regulations.

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF ROCKPORT, INDIANA:

Section 1. Acquisition and Construction of Project A and Project B; Redemption of 2023 BAN. The City, as the owner and operator of the System, hereby orders, authorizes and directs the acquisition of any and all necessary property for and the construction of improvements and extensions to each of Project A and Project B, in accordance with the Act, and the designs, plans and specifications heretofore prepared and filed with the City by the Engineers, which plans, designs and specifications are hereby adopted and approved and, by reference, incorporated fully

into this ordinance, and two (2) copies of which are now on file in the office of the Clerk-Treasurer of the City (the "Clerk-Treasurer") and are open for public inspection pursuant to INDIANA CODE 36-1-5-4; provided, that any and all costs of property acquisition for and construction of improvements and extensions to the System in connection with the Projects, the redemption of the 2023 BAN, together with all other expenses relating thereto including the expenses of issuing bonds on account of the financing of a portion thereof and capitalized interest on the Bonds, if necessary, shall be limited to and shall not exceed the estimated sum of Thirty-Three Million Six Hundred Thousand and 00/100 Dollars (\$33,600,000), unless otherwise authorized by this Common Council. The actions of the City in connection with the acquisition commencement of any and all necessary property for and the construction of each Project and the financing of such improvements and extensions to the sewage works are hereby authorized, approved, ratified and confirmed. Where used in this ordinance, the term "City" shall be construed also to include any department, board, commission or officer or officers of the City or of any City department, board or commission. The terms "Sewage Works", "sewage works", "works", "system", "sewage works system" and similar terms used in this ordinance shall be construed to mean the City's existing sewage works system (and its Treatment Works as defined in the Financial Assistance Agreement, if applicable) together with all the real estate, equipment and appurtenances thereto used in connection therewith, and all improvements, extensions and additions thereto, and replacements thereof, now or subsequently constructed or acquired. Each Project shall be constructed in accordance with the plans and specifications heretofore mentioned, which plans, designs and specifications are hereby approved. Each Project will be constructed and the Bonds and/or BANs will be issued pursuant to the provisions of this ordinance and the Act. The City may also use cash on hand or grant funding to pay for each Project. The City reasonably expects to reimburse expenditures for the Projects with proceeds of the Bonds and this ordinance constitutes a declaration of official intent pursuant to Treasury Regulation 1.150-2(e) and INDIANA CODE 5-1-14-6(c).

In the event the Bonds or BANs are purchased by the Authority as part of the IFA Program, on behalf of the City, the Common Council hereby (i) agrees to own, operate and maintain the sewage works and the Projects for the duration of their useful life and (ii) represents and warrants to the Authority that the City has no intent to sell, transfer or lease the sewage works or the Projects for the duration of their useful life.

## Section 2. Issuance of BANs and Bonds.

(a) The City shall issue, if necessary, the BANs for the purpose of procuring interim financing to pay the cost of the Projects and, if deemed appropriate or necessary, the costs of issuance of the BANs and capitalized interest on the BANs. The City may issue the BANs in one or more series, in an aggregate amount outstanding at any one time not to exceed Thirty-Three Million Six Hundred Thousand and 00/100 Dollars (\$33,600,000) to be designated "Sewage Works Bond Anticipation Notes, Series 2024". The BANs shall be lettered and numbered consecutively from R-1 and upward, and shall be in authorized denominations of \$1,000 or more. The BANs shall be dated as of the date of delivery thereof and shall bear interest at a rate not to exceed six percent (6.0%) per annum (the exact rate or rates to be determined through negotiations

with the purchasers of the BANs) payable either upon maturity or semiannually on January 1 and July 1 (or such semiannual dates as may be requested by the purchaser), as designated by the Clerk-Treasurer of the City (the "Clerk-Treasurer"), with the advice of Baker Tilly Municipal Advisors, LLC, the municipal advisor to the City for financing purposes (the "Municipal Advisor"). Each series of BANs will mature no later than five years after their date of delivery, the exact maturity to be determined by the Clerk-Treasurer, with the advice of the Municipal Advisor and Taft Stettinius & Hollister LLP, bond counsel to the City ("Bond Counsel"). The BANs are subject to renewal or extension at an interest rate or rates not to exceed six percent (6.0%) per annum (the exact rate or rates to be negotiated with the purchaser of the BANs). The term of any renewal BANs may not exceed five (5) years from the date of delivery of the initial BANs. The BANs shall be registered in the name of the purchasers thereof.

Notwithstanding anything in this ordinance to the contrary, any series of BANs issued hereunder may bear interest that is taxable and included in the gross income of the owners thereof. If any such BANs are issued on a taxable basis, the designated name shall include the term "Taxable" as the first word in the designated name.

(b) The BANs shall be issued pursuant to (i) INDIANA CODE 5-1.5-8-6.1, if sold to the Indiana Bond Bank, (ii) pursuant to INDIANA CODE 5-1.2-1 through INDIANA CODE 5-1.2-4, INDIANA CODE 5-1.2-10, INDIANA CODE 5-1.2-11, INDIANA CODE 5-1.2-14 and/or INDIANA CODE 5-1.2-14.5 if sold to the Authority pursuant to the IFA Program, or (iii) pursuant to INDIANA CODE 5-1-14-5, if sold to a financial institution or any other purchaser. The BANs shall be sold at a price not less than ninety-nine percent (99.0%) of the principal amount thereof. The City shall pledge to the payment of the principal of and interest on the BANs the proceeds from the issuance of the Bonds pursuant to and in the manner prescribed by the Act.

(c) The City shall issue sewage works revenue bonds, in one or more series, in an aggregate principal amount not to exceed Thirty-Three Million Six Hundred Thousand and 00/100 Dollars (\$33,600,000) to be designated "Sewage Works Revenue Bonds, Series 202\_," (the "Bonds") to be completed with the year in which the Bonds are issued and an alphabetical designation, if necessary, for the purpose of procuring funds to pay the cost of Projects, the redemption of the 2023 BAN, the refunding of the BANs, if issued, and the issuance costs of the Bonds or the BANs, if issued, as determined by the Clerk-Treasurer, with the advice of the Municipal Advisor. The Bonds shall be issued and sold at a price not less than ninety-nine percent (99.0%) of the principal amount thereof, unless sold to the Indiana Bond Bank then sold at any price. The Bonds shall be sold by the Clerk-Treasurer pursuant to INDIANA CODE 5-1-11, as amended, unless sold to the Authority pursuant to the IFA Program, the Indiana Bond Bank or Rural Development. The Bonds shall be issued in fully registered form in authorized denominations of \$5,000 or any integral multiple thereof or, if sold to the Authority as part of its IFA Program, \$1.00 or any integral multiple thereof consistent with the requirements of the IFA Program. The Bonds shall be lettered and numbered consecutively from R-1 and upward, originally dated the date of delivery, and shall bear interest at a rate or rates not exceeding six percent (6.0%) per annum if sold to any purchaser (the exact rate or rates to be determined by bidding or through negotiation) or not exceeding five percent (5.0%) if sold to the Authority

pursuant to the IFA Program. Interest is payable semiannually on January 1 and July 1 in each year, commencing on the first January 1 or July 1 following the issuance of the Bonds (or such semiannual dates as may be requested by the purchaser), all as determined by the Clerk-Treasurer, with the advice of the Municipal Advisor, and as set forth in the bond sale notice if the Bonds are sold competitively pursuant to INDIANA CODE 5-1-11, as amended. The Bonds shall mature semiannually, or be subject to mandatory sinking fund redemption if term bonds are issued, on January 1 and July 1 of each year over a period ending no later than 40 years after the date of the issuance of the Bonds, and in such amounts as is deemed appropriate by the Clerk-Treasurer, with the advice of the Municipal Advisor. If sold to the IFA Program, then the Bonds shall mature semiannually on January 1 and July 1 of each year over a period ending no later than 35 years after the date of the issuance of the Bonds and in such amounts that will produce annual debt service that is as level as practicable, except as otherwise provided in the Financial Assistance Agreement. The first principal payment shall be no later than six (6) months following completion of the Projects. The Bonds will be payable solely out of and constitute a first charge against the Net Revenues (herein defined as the gross revenues, inclusive of System Development Charges (as hereinafter defined), of the City's sewage works system, including all real estate, equipment and appurtenances thereto used in connection therewith, and all extensions, additions and improvements thereto and replacements thereof, now or at any time hereafter constructed or acquired remaining after the payment of the reasonable expense of operation, repair and maintenance of the System. For purposes of this ordinance, "System Development Charges" shall mean the proceeds and balances from any non-recurring charges such as tap fees, subsequent connector fees, capacity or contribution fees, and other similar one-time charges that are available for deposit under this ordinance including System Development Charges enacted under INDIANA CODE 36-9-23-29.

The City may, upon the advice of the Municipal Advisor, obtain bond insurance for the Bonds.

(d) Interest on the BANs and Bonds shall be calculated according to a 360-day calendar year containing twelve 30-day months.

(e) The Clerk-Treasurer is authorized to serve or select and appoint a qualified financial institution to serve as the Registrar and the Paying Agent for the BANs and the Bonds, which registrar is hereby charged with the responsibility of authenticating the BANs and the Bonds (the "Registrar" or the "Paying Agent"). The Clerk-Treasurer is hereby authorized to enter into such agreements or understandings with such institution as will enable the institution to perform the services required of the Registrar and the Paying Agent. The Clerk-Treasurer is further authorized to pay such fees as the institution may charge for the services it provides as the Registrar and the Paying Agent, and such fees may be paid from the Sinking Fund.

(f) The BANs or the Bonds shall be registered in the name of the purchaser. The principal thereof and interest thereon may be paid by wire transfer to such financial institution if and as directed by the purchaser on the due date of such payment or, if such due date is a day when financial institutions are not open for business, on the business day immediately after such due date. If wire transfer payment is not required, the principal of and interest on the BANs (if

interest thereon is payable only at maturity) or the principal of the BANs (if interest thereon is not payable only at maturity) and the principal of the Bonds shall be payable at the designated office of the Paying Agent, and all payments of interest on the BANs (if interest thereon is not payable only at maturity) and the Bonds shall be paid by check mailed one business day prior to the interest payment date to the registered owners thereof, as of the fifteenth day of the month preceding each interest payment date ("Record Date"), at the addresses of the registered owners as they appear on the registration books kept by the Registrar. If payment of principal or interest is made to a depository, payment shall be made by wire transfer on the payment date in same-day funds. If the BANs or the Bonds are registered in the name of Rural Development, the principal thereof and interest thereon shall be paid directly to the financial office of Rural Development serving the City by means of a Preauthorized Debit Payment (PAD) process that the Clerk-Treasurer is hereby directed to establish whereby the Registrar authorizes funds to be withdrawn electronically from the City's bank account on the exact day that any payment is due or, if such due date is a day when financial institutions are not open for business, on the business day immediately after such due date. If the BANs or the Bonds are registered in the name of the Authority, the principal thereof and interest thereon shall be paid by wire transfer to such financial institution if and as directed by the Authority on the due date of such payment or, if such due date is a day when financial institutions are not open for business, on the business day immediately after such due date. So long as the Authority is the owner of the BANs or the Bonds, the BANs or the Bonds shall be presented for payment as directed by the Authority. If the payment date occurs on a date when financial institutions are not open for business, the wire transfer shall be made on the next succeeding business day. The Paying Agent shall be instructed to wire transfer payments by 1:00 p.m. (New York City time) so such payments are received at the depository by 2:30 p.m. (New York City time). All payments on the BANs and the Bonds shall be made in any coin or currency of the United States of America, which on the date of such payment, shall be legal tender for the payment of public and private debts.

(g) Each BAN or Bond shall be transferable or exchangeable only upon the books of the City kept for that purpose at the designated office of the Registrar, by the registered owner thereof in person, or by its attorney duly authorized in writing, upon surrender of such BAN or Bond together with a written instrument of transfer or exchange satisfactory to the Registrar duly executed by the registered owner or its attorney duly authorized in writing, and thereupon a new fully registered BAN or BANs or Bond or Bonds in the same aggregate principal amount and of the same maturity shall be executed and delivered in the name of the transferee or transferees or the registered owner, as the case may be, in exchange therefor. The costs of such transfer or exchange shall be borne by the City; provided, however, that the Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. Except as otherwise provided in the Continuing Disclosure Agreement described in Section 25, the City, the Registrar and Paying Agent for the Bonds and the BANs may treat and consider the person in whose name the BANs or the Bonds are registered as the absolute owner thereof for all purposes, including for the purpose of receiving payment of, or on account of, the principal thereof, the premium, if any, and interest due thereon.

(h) Interest on the Bonds, which are authenticated on or before the Record Date, which precedes the first interest payment date, shall be paid from their original issue date; provided that interest on the Bonds sold to the Authority shall begin to accrue commencing from the dates of payment on the Bonds. Interest on the Bonds authenticated subsequent to the Record Date which precedes the first interest payment date thereon shall be paid from the interest payment date to which interest has been paid as of the date on which such Bonds are authenticated, unless a Bond is authenticated between the Record Date and the interest payment date, in which case the interest shall be paid from such interest payment date.

(i) The BANs or the Bonds may be issued in book-entry-only form as one fully registered BAN or Bond per maturity registered in the name of Cede & Co., as nominee for The Depository Trust Company ("DTC"), New York, New York, and DTC may act as securities depository for the BANs or the Bonds. In that event, the purchase of beneficial interests in the BANs or the Bonds will be made in book-entry-only form in the denomination of \$100,000 or more or in the denomination of \$5,000 or any multiple thereof (or in the case of any Bonds sold to the Authority as a part of the IFA Program, \$1.00 or any integral multiple thereof consistent with the requirements of the IFA Program), respectively. Purchasers of beneficial interests will not receive certificates representing their interests in the BANs or the Bonds purchased. As long as DTC or its nominee, Cede & Co., is the registered owner of the BANs or the Bonds, payments of principal, premium, if any, and interest will be made when due directly to such registered owner in same-day funds wired by the Paying Agent in accordance with the procedures set forth in the Blanket Issuer Letter of Representations made by the City to DTC.

### Section 3. Redemption of BANs and Bonds.

(a) If deemed appropriate by the Clerk-Treasurer, with the advice of the Municipal Advisor, the BANs shall be prepayable by the City, in whole or in part, on or after the date determined to be most appropriate by the Clerk-Treasurer, with the advice of the Municipal Advisor, upon thirty (30) days' notice to the owner of the BANs, without any premium, but with accrued interest to the date of prepayment.

(b) The Bonds are redeemable at the option of the City, but no sooner than five (5) years after their date of delivery (or ten (10) years for any Bonds purchased by the Authority as part of the IFA Program), or any date thereafter, on 30 days' notice, in whole or in part, in any order of maturity (or in the case of any Bonds sold to the Authority as part of the IFA Program, in inverse order of maturity on 60 days' notice) and by lot within a maturity, at the par amount thereof, together with a premium not greater than 1%, plus, in each case, accrued interest, if any, to the date fixed for redemption; provided, however, if the Bonds are sold to the IFA Program and registered in the name of the Authority, the Bonds shall not be redeemable at the option of the City unless and until consented by the Authority; provided, further, for any period in which Rural Development is the registered owner of any Bonds, prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of the City. The exact redemption dates and premiums shall be established by the Clerk-Treasurer with the advice of the Municipal Advisor.

(c) If any Bond is issued as a term bond, the Paying Agent shall credit against the mandatory sinking fund requirement for the Bonds maturing as term bonds, and corresponding mandatory redemption obligation, in the order determined by the City, any Bonds maturing as term bonds maturing on the same date which have previously been redeemed (otherwise than as a result of a previous mandatory redemption requirement) or delivered to the Registrar for cancellation or purchased for cancellation by the Paying Agent and not theretofore applied as a credit against any redemption obligation. Each Bond maturing as a term bond so delivered or canceled shall be credited by the Paying Agent at one hundred percent (100%) of the principal amount thereof against the mandatory sinking fund obligation on such mandatory sinking fund date, and any excess of such amount shall be credited on future redemption obligations, and the principal amount of the Bonds to be redeemed by operation of the mandatory sinking fund requirement shall be accordingly reduced; provided, however, the Paying Agent shall credit only such Bonds maturing as term bonds to the extent received on or before sixty-five (65) days preceding the applicable mandatory redemption date, if the Bonds are sold to the Authority pursuant to the IFA Program or the Indiana Bond Bank, or on or before forty-five (45) days preceding the applicable mandatory redemption date, if the Bonds are sold to any other purchaser.

(d) If less than an entire maturity is called for redemption, the Bonds to be called for redemption shall be selected by lot by the Registrar. If some Bonds are to be redeemed by optional redemption and mandatory sinking fund redemption on the same date, the Registrar shall select by lot the Bonds for mandatory sinking fund redemption before selecting the Bonds by lot for optional redemption.

(e) Notice of redemption shall be given not less than thirty (30) days (or in the case of any Bonds sold to the Authority as part of the IFA Program, not less than sixty (60) days) prior to the date fixed for redemption for Bonds that are sold to any other purchaser, unless such redemption notice is waived by the owner of the Bond or Bonds to be redeemed. Such notice shall be mailed to the address of the registered owner as shown on the registration record of the City as of the date which is forty-five (45) days (or in the case of any Bonds sold to the Authority as part of the IFA Program, seventy-five (75) days) prior to such redemption date for Bonds that are sold to any other purchaser. The notice shall specify the date and place of redemption and sufficient identification of the Bonds called for redemption. The place of redemption may be determined by the City. Interest on the Bonds so called for redemption shall cease on the redemption date fixed in such notice if sufficient funds are available at the place of redemption to pay the redemption price on the date so named.

(f) The BANs and the Bonds shall be called for redemption in multiples of their minimum authorized denomination. The BANs and the Bonds in denominations of more than the minimum authorized denomination shall be treated as representing the number of BANs and Bonds, respectively, obtained by dividing the denomination of the BAN and the Bond, respectively, by the minimum authorized denomination within a maturity. The BANs and the Bonds may be redeemed in part. In the event of redemption of BANs and Bonds in part, upon surrender of the BAN or the Bond to be redeemed, a new BAN or BANs or Bond or Bonds in an

aggregate principal amount equal to the unredeemed portion of the BAN or the Bond surrendered shall be issued to the registered owner thereof.

(g) In the event the Bonds are registered in the name of Rural Development, the City covenants and agrees to refinance the unpaid balance, in whole or in part, of the Bonds upon the request of Rural Development if at any time it shall appear to Rural Development that the City is able to refinance the Bonds by obtaining a loan for such purposes from responsible cooperative or private sources at reasonable rates and terms for loans for similar purposes and periods of time as required by section 333(3) of said Consolidated Farm and Rural Development Act (7 U.S.C. §1983(3)). The City acknowledges the provisions of 7 U.S.C. §1983(3) and right of USDA to require the redemption of the entire unpaid amount of the Bonds in accordance therewith.

Section 4. Execution and Authentication of the BANs and the Bonds; Pledge of Net Revenues to the Bonds. The BANs and the Bonds shall be executed in the name of the City by the manual or facsimile signature of the Mayor and attested by the manual or facsimile signature of the Clerk-Treasurer, who shall affix the seal of the City to each of the BANs and the Bonds manually or shall have the seal imprinted or impressed thereon by facsimile. These officials, by the signing of a Signature and No Litigation Certificate, shall adopt as and for their own proper signatures their facsimile signatures appearing on the BANs and the Bonds. The BANs and the Bonds must be authenticated by an authorized officer of the Registrar or by the Clerk-Treasurer if the Clerk-Treasurer is acting as the Registrar. The Bonds, and any additional bonds hereafter issued on a parity with the Bonds in accordance with the restrictions imposed by this ordinance (the "Future Parity Bonds"), as to both principal and interest, shall be payable from and secured by an irrevocable pledge of and shall constitute a first charge upon the Net Revenues of the System. The City shall not be obligated to pay the principal of and interest on the Bonds, except from the Net Revenues of the System (except to the extent payable from the proceeds of the Bonds), and the Bonds shall not constitute an indebtedness of the City within the meaning of the provisions and limitations of the constitution of the State.

The Bonds and BANs shall have all the qualities and incidents of negotiable instruments under the laws of the State of Indiana, subject to the provisions for registration herein.

Section 5. Form of Bonds. The form and tenor of the Bonds shall be substantially as set forth in Exhibit C, with all blanks to be filled in properly and all necessary additions and deletions to be made prior to delivery thereof.

Section 6. Preparation and Sale of BANs and Bonds. The Clerk-Treasurer is hereby authorized and directed to have the BANs and the Bonds prepared, and the Mayor, and the Clerk-Treasurer are hereby authorized and directed to execute the BANs and the Bonds in the form and manner herein provided. The Clerk-Treasurer is hereby authorized and directed to deliver the BANs and the Bonds to the purchasers thereof after the sale made in accordance with the provisions of this ordinance, provided that at the time of such delivery, the Clerk-Treasurer shall collect the full amount which the purchasers have agreed to pay therefor, which amount shall not be less than the applicable minimum percentage of the par value of the BANs or the Bonds set

forth in Section 2 of this ordinance. The City may receive payment for the BANs and the Bonds in installments. The Bonds, as and to the extent paid for and delivered to the purchaser, shall be the binding special revenue obligations of the City, payable out of the Net Revenues of the System (including any System Development Charges) to be set aside into the Sinking Fund as provided herein. The proceeds derived from the sale of the BANs and the Bonds shall be and are hereby set aside to pay the costs of the Projects, the redemption of the 2023 BAN, the refunding of the BANs and the investment income therefrom, if applicable, and the expenses necessarily incurred in connection with the issuance of the BANs and the Bonds. The proper officers of the City are hereby directed to draw all proper and necessary warrants, and to do whatever acts and things which may be necessary to carry out the provisions of this ordinance.

#### Section 7. Bond Sale Notice; Official Statement.

(a) If the Bonds will be sold at a competitive sale, the Clerk-Treasurer shall cause to be published either (i) a notice of such sale in the authorized newspaper(s) published in the City, two (2) times, at least one week apart, with the first publication being made at least fifteen (15) days before the date of the sale and the second publication being made at least three days before the date of the sale or (ii) a notice of intent to sell bonds in the authorized newspaper(s) and the *Indianapolis Business Journal*, all in accordance with INDIANA CODE 5-1-11, as amended, and INDIANA CODE 5-3-1, as amended. The notice shall state the character, the amount and the authorized denominations of the Bonds, the maximum rate or rates of interest thereon, the terms and conditions upon which bids will be received and the sale made, and such other information as the Clerk-Treasurer and the attorneys employed by the City shall deem advisable. Any summary notice may contain any information deemed so advisable. The notice may provide, among other things, that the purchaser is required to submit to the City a certified or cashier's check (or wire transfer such amount as instructed by the City) not later than a time determined by the Municipal Advisor on the next business day following the award. In the event the successful bidder shall fail or refuse to accept delivery of the Bonds and pay for the same as soon as the Bonds are ready for delivery, or at the time fixed in the notice of sale, then such good faith deposit and the proceeds thereof shall be the property of the City and shall be considered as its liquidated damages on account of such default. Bidders for the Bonds will be required to name the rate or rates of interest which the Bonds are to bear, not exceeding the maximum rate hereinbefore fixed, and that such interest rate or rates shall be in multiples of one-eighth (1/8), one-twentieth (1/20) or one-one hundredth (1/100) of one percent (1%). The rate bid on a maturity shall be equal to or greater than the rate bid on the immediately preceding maturity. No conditional bid or bid for less than the applicable minimum percentage of the par value of the Bonds set forth in Section 2 of this ordinance will be considered. The opinion of Bond Counsel approving the legality of the Bonds will be furnished to the purchaser at the expense of the City.

(b) The Bonds shall be awarded by the Clerk-Treasurer to the best bidder who has submitted its bid in accordance with the terms of this ordinance, INDIANA CODE 5-1-11, as amended, and the notice. The best bidder will be the one who offers the lowest net interest cost to the City, to be determined by computing the total interest on all of the Bonds to their maturities and deducting the premium bid, if any, or adding thereto the discount bid, if any. The right to

reject any and all bids shall be reserved. If an acceptable bid is not received on the date of sale, the sale may be continued from day to day thereafter without further advertisement for a period of thirty (30) days, during which time, no bid which provides a higher net interest cost to the City than the best bid received at the time of the advertised sale will be considered.

(c) As an alternative to public sale, the City may negotiate the sale of one or more series of the Bonds to the Authority as part of the IFA Program. The Mayor and the Clerk-Treasurer are hereby authorized to (i) submit an application to the IFA Program, (ii) execute the Financial Assistance Agreement (in substantially the form attached as Exhibit B hereto and made a part hereof and including any amendment thereof) with the Authority, and (iii) sell one or more series of the Bonds upon such terms as are acceptable to the Mayor and the Clerk-Treasurer consistent with the terms of this ordinance. The Financial Assistance Agreement (including any amendment thereof) for one or more series of the Bonds and the Projects shall be executed by either of the authorized officers of the City and the Authority. The substantially final form of the Financial Assistance Agreement is hereby approved by the Common Council, and the Mayor and the Clerk-Treasurer are hereby authorized to execute and deliver the same and to approve any changes in form or substance to the Financial Assistance Agreement, and such approval shall be conclusively evidenced by its execution. The Mayor and the Clerk-Treasurer are hereby authorized to execute and deliver an amended and restated Financial Assistance Agreement or a subsequent Financial Assistance Agreement if an earlier series of Bonds has been purchased by the Authority and may approve any changes in form or substance to the attached Financial Assistance Agreement as they determined to be necessary or desirable in connection therewith, and such approval shall be conclusively evidenced by its execution.

(d) As a further alternative to public sale, the City may also negotiate the sale of said Bonds to the Indiana Bond Bank at an interest rate or rates not exceeding six percent (6.0%) per annum. The Mayor and the Clerk-Treasurer are hereby authorized to (i) submit an application to the Indiana Bond Bank, (ii) execute a qualified entity purchase agreement with the Indiana Bond Bank, and (iii) sell such Bonds upon such terms as are acceptable to the Mayor and the Clerk-Treasurer consistent with the terms of this ordinance.

(e) As a further alternative to public sale, the City may also negotiate the sale of said Bonds to Rural Development at an interest rate or rates not exceeding six percent (6.0%) per annum. The Mayor and the Clerk-Treasurer are hereby authorized to (i) submit an application to Rural Development, (ii) negotiate the Letter of Conditions, and any amended thereto, with Rural Development for the Bonds and Projects, and (iii) sell such Bonds upon such terms as are acceptable to the Mayor and the Clerk-Treasurer consistent with the terms of this ordinance.

Notwithstanding anything contained herein, the City may accept any other forms of financial assistance, as and if available, from the IFA Program (including without limitation any forgivable loans, grants or other assistance whether available as an alternative to any Bond or BAN related provision otherwise provided for herein or as a supplement or addition thereto). If required by the IFA Program to be eligible for such financial assistance, one or more of the series of the Bonds issued hereunder may be issued on a basis such that the payment of the principal of or

interest on (or both) of such series of Bonds is junior and subordinate to the payment of the principal of and interest on other series of Bonds issued hereunder (and/or any other revenue bonds secured by a pledge of Net Revenues, whether now outstanding or hereafter issued), all as provided by the terms of such series of Bonds as modified pursuant to this authorization. Such financial assistance, if any, shall be provided in the Financial Assistance Agreement and the Bonds of each series of Bonds issued hereunder (including any modification made pursuant to the authorization in this paragraph to the form of Bonds otherwise contained herein).

(f) Distribution of an Official Statement (preliminary and final) when and if prepared by the Municipal Advisor, on behalf of the City, is hereby authorized and approved and the Mayor and Clerk-Treasurer are authorized and directed to execute the Official Statement on behalf of the City in a form consistent with this ordinance. The Mayor or the Clerk-Treasurer is authorized to deem the Preliminary Official Statement as “final” for purposes of Rule 15c2-12 promulgated by the Securities and Exchange Commission.

#### Section 8. Use of Proceeds.

(a) The premium, if any, received at the time of the delivery of the Bonds shall be deposited in the Bond and Interest Account. The remaining proceeds from the sale of the Bonds and the BAN proceeds shall be deposited in a bank or banks which are legally designated depositories for the funds of the City, in a special account or accounts to be designated as “City of Rockport, 2024 Sewage Works Construction Account” (the “Construction Account”). All funds deposited to the credit of the Sinking Fund or the Construction Account shall be deposited, held, secured or invested in accordance with the laws of the State relating to the depositing, holding, securing or investing of public funds, including particularly INDIANA CODE 5-13, INDIANA CODE 5-1.2-1 through 5-1.2-4, INDIANA CODE 5-1.2-10, INDIANA CODE 5-1.2-11, INDIANA CODE 5-1.2-14 and/or INDIANA CODE 5-1.2-14.5, and the acts amendatory thereof and supplemental thereto. The funds in the Construction Account shall be expended only for the purpose of paying the costs of issuance of the BANs or the Bonds, the cost of the Projects, the redemption of the 2023 BAN, refunding all or a portion of the BANs, if issued, or as otherwise required by the Act. The cost of obtaining the legal services of Bond Counsel shall be considered a part of the costs of issuance of the BANs and the Bonds.

(b) The City hereby declares that it reasonably expects to reimburse the City’s advances to the Projects from proceeds of the BANs or the Bonds, as anticipated by this ordinance.

(c) Any balance or balances remaining unexpended in the Construction Account after completion of the Projects and the redemption of the 2023 BAN, which are not required to meet unpaid obligations incurred in connection with the Projects, shall either (1) be paid into the Bond and Interest Account of the Sinking Fund and used solely for the purpose of paying the interest on the BANs or the Bonds when due until depleted or (2) be used for the same purpose or type of projects for which the BANs or the Bonds were originally issued, all in accordance with INDIANA CODE 5-1-13, as amended and supplemented.

(d) With respect to any series of Bonds sold to the Authority, to the extent that (a) the total principal amount of the Bonds is not paid by the purchaser or drawn down by the City or (b) proceeds remain in the Construction Account and are not applied to the Projects (or any modifications or additions thereto approved by the City and the Authority), the City shall reduce the principal amount of the Bond maturities to effect such reduction in a manner that will still achieve as level as annual debt service as practicable as described in Section 2(c) subject to and upon the terms forth in the Financial Assistance Agreement.

(e) If any series of Bonds is sold to the Authority, moneys deposited in the Construction Account may be held by a financial institution as provided in Section 11(d) of this ordinance.

Section 9. Revenues. There is hereby continued the Sewage Works Revenue Fund (the "Revenue Fund"). All income and revenues derived from the operation of the System (including any System Development Charge) shall be deposited upon receipt in the Revenue Fund. The Revenue Fund shall be maintained separate and apart from all other accounts of the City. All moneys deposited in the Revenue Fund may be invested in accordance with INDIANA CODE 5-13, INDIANA CODE 5-1.2-1 through INDIANA CODE 5-1.2-4, INDIANA CODE 5-1.2-10, INDIANA CODE 5-1.2-11, INDIANA CODE 5-1.2-14 and/or INDIANA CODE 5-1.2-14.5, and other applicable laws. No moneys derived from the revenues of the System shall be transferred to the general fund of the City or be used for any purpose not connected with the System.

Section 10. Operation and Maintenance Fund. There is hereby continued the Operation and Maintenance Fund (the "O&M Fund"). There shall be transferred from the Revenue Fund and credited to the O&M Fund, on or before the last day of each calendar month a sufficient amount of the revenues of the System so that the balance in the O&M Fund shall be sufficient to pay the expenses of operation, repair and maintenance of the System for the then next succeeding two (2) calendar months. The moneys credited to the O&M Fund shall be used for the payment of the reasonable and proper operation, repair and maintenance expenses of the System on a day-to-day basis, but none of the monies in such fund shall be used for depreciation, replacements or improvements. Any monies in the O&M Fund in excess of the expected expenses of operation, repair and maintenance for the next succeeding month may be transferred to the Sinking Fund if necessary to prevent a default in the payment of the principal of or interest on the Bonds and any Future Parity Bonds.

Section 11. Sewage Works Sinking Fund.

(a) General. There is hereby continued the Sewage Works Sinking Fund (the "Sinking Fund"). After meeting the requirements of the O&M Fund set forth above, there shall be set aside and deposited in the Sinking Fund, as available, and as provided below, a sufficient amount of the Net Revenues of the System (including any System Development Charges) to meet the requirements of the Bond and Interest Account (the "Bond and Interest Account") and the Reserve Account (the "Reserve Account"), which accounts are hereby continued. Such payments

shall continue until the balance in the Bond and Interest Account, plus the balance in the Reserve Account, equal the amount necessary to redeem all of the Bonds.

(b) Bond and Interest Account. There shall be transferred, on or before the last day of each calendar month beginning after the Bonds have been issued, from the Revenue Fund and credited to the Bond and Interest Account: (i) commencing in the month the Bonds are issued, an amount of the Net Revenues (or the entire balance if less than the required amount) equal to a fraction of the total amount of interest on the Bonds coming due on the next interest payment date (after deducting therefrom the amount already on deposit in the Bond and Interest Account on the date of issuance of the Bonds for the payment of such interest), which fraction shall be the quotient of one divided by the number of calendar months during which the Bonds will be outstanding prior to that first interest payment date; (ii) commencing in the month the Bonds are issued, an amount of the Net Revenues (or the entire balance if less than the required amount) equal to a fraction of the total amount of principal of the Bonds coming due on the next principal payment date, whether by maturity or mandatory sinking fund redemption (after deducting therefrom the amount already on deposit in the Bond and Interest Account on the date of issuance of the Bonds for the payment of such principal), which fraction shall be the quotient of one divided by the number of calendar months during which the Bonds will be outstanding prior to that first principal payment date; (iii) commencing in the month of the first interest payment date for the Bonds following the date of issuance of the Bonds, an amount of the Net Revenues (or the entire balance if less than the required amount) equal to one-sixth of the interest on the Bonds coming due on the next interest payment date; and (iv) commencing in the month of the first principal payment date for the Bonds following the date of issuance of the Bonds, an amount of the Net Revenues (or the entire balance if less than the required amount) equal to one-sixth of the principal of the Bonds coming due on the next principal payment date, whether by maturity or mandatory sinking fund redemption until the amount of principal and interest on the next succeeding principal and interest payment date shall have been so credited. There shall similarly be credited to the Bond and Interest Account any amount necessary to pay the charges of the Paying Agent, if other than the Clerk-Treasurer, for paying the principal of, premium, if any, and interest on the Bonds as the same become payable. The City shall, from the sums deposited in the Sinking Fund and credited to the Bond and Interest Account, remit promptly to the registered owner or to the Paying Agent sufficient moneys to pay the principal, premium, if any, and interest on their due dates, together with the amount of the charges of the Paying Agent, if other than the Clerk-Treasurer.

(c) Reserve Account.

(1) On the date of delivery of the Bonds, the City may deposit Bond proceeds (unless the Bonds are sold to the Authority pursuant to the IFA Program), funds on hand or a combination thereof, into the Reserve Account. The balance to be maintained in the Reserve Account shall equal but not exceed the least of (i) the maximum annual debt service on the Bonds issued hereunder and any Future Parity Bonds, (ii) 125% of average annual debt service on the Bonds issued hereunder, and any Future Parity Bonds, or (iii) 10% of the par amount of the Bonds issued hereunder, and any Future Parity Bonds (the "Reserve Requirement"). If the Bonds are sold to the Authority pursuant to the IFA Program, then the Reserve Requirement shall equal but

not exceed the maximum annual debt service on the Bonds, and any Future Parity Bonds. If the Bonds are sold to the Authority pursuant to the IFA Program, the monthly deposits of Net Revenues shall be equal in amount and sufficient to accumulate the Reserve Requirement within five (5) years of the date of delivery of the Bonds; provided, however, if the Bonds are purchased by Rural Development, the monthly deposits of Net Revenues shall be equal in amount and sufficient to accumulate the Reserve Requirement within ten (10) years of the date of delivery of the Bonds. The balance in the Reserve Account, allocable to the Bonds, shall never exceed the Reserve Requirement.

(2) The Reserve Account shall constitute a margin for safety and a protection against default in the payment of the principal of, premium, if any, and interest on the Bonds and any Future Parity Bonds and the moneys in the Reserve Account shall be used to pay the principal of and interest on the Bonds and any Future Parity Bonds to the extent that moneys in the Bond and Interest Account are insufficient for that purpose. Any deficiency in the balance maintained in the Reserve Account shall be promptly made up from the next available Net Revenues after the required deposits into the Bond and Interest Account. In the event moneys in the Reserve Account are transferred to the Bond and Interest Account to pay the principal of and interest on the Bonds and any Future Parity Bonds then that depletion of the balance in the Reserve Account shall be made up from the next available Net Revenues after the required deposits into the Bond and Interest Account. Investments in the Reserve Account shall be valued at least annually at their fair market value and marked to market. If, after such valuation, it is determined that the amount on deposit in the Reserve Account is in excess of the Reserve Requirement, such excess shall either be transferred to the Sewage Works Improvement Fund (the "Improvement Fund"), or be used for the purchase of Bonds and any Future Parity Bonds or installments of principal of Bonds or any Future Parity Bonds at a price not exceeding par and accrued interest; provided, however, any funds withdrawn from the Reserve Account while Rural Development is the registered owner of the Bonds requires the written concurrence from Rural Development prior to any such transfer.

(3) Any portion of the Reserve Requirement, with the prior written consent of the Authority of the Bonds are sold to the Authority, shall be deemed to be satisfied if there is on deposit in the Reserve Account any surety bond, insurance policy, guaranty, letter of credit or other credit enhancement in an amount equal to such portion, the issuer of which credit enhancement is rated at least "AAA" by Standard & Poor's Ratings Group and "Aaa" by Moody's Investors Service.

(d) If the Bonds are sold to the Authority pursuant to the IFA Program then the Sinking Fund (containing the Bond and Interest Account and the Reserve Account), or any portion thereof, and the Construction Account, may be held by one or more financial institutions acceptable to the Authority as part of its IFA Program, pursuant to terms acceptable to the Authority. If the Sinking Fund and the accounts therein, or any portion thereof, are so held in trust, the City shall transfer the monthly required amounts of Net Revenues to the Bond and Interest Account and the Reserve Account in accordance with Section 11 of this ordinance, and the financial institution holding such funds in trust shall be instructed to pay the required payments in

accordance with the payment schedules applicable to the City's outstanding Bonds and any Future Parity Bonds. If the Construction Account is so held in trust, the City shall deposit the proceeds of the Bonds therein until such proceeds are applied consistent with this ordinance and the Financial Assistance Agreement. The financial institution selected to serve in this role may also serve as the Registrar and the Paying Agent for the Bonds and the BANs. The Mayor and Clerk-Treasurer are hereby authorized to execute and deliver an agreement with a financial institution to reflect this trust arrangement for all or a part of the Sinking Fund and the Construction Account in the form of trust agreement as approved by the Mayor and Clerk-Treasurer, consistent with the terms and provisions of this ordinance.

Section 12. Improvement Fund. After meeting the requirements of the O&M Fund and the Sinking Fund set forth above, the City shall transfer to the Improvement Fund from the Revenue Fund on or before the last day of each calendar month a sufficient amount of Net Revenues to be used for improvements to, replacements of, additions to and extensions of the System. Moneys in the Improvement Fund shall be transferred to the Bond and Interest Account if and to the extent necessary to prevent a default in the payment of the principal of, premium, if any, or interest on any Bonds, or Future Parity Bonds payable from Net Revenues, or, if necessary, to eliminate any deficiencies in the deposits or the minimum balance in the Reserve Account as required by Section 11(c) of this ordinance. At any other time, moneys in the Improvement Fund may be transferred to the O&M Fund to meet unforeseen contingencies in the operation, repair and maintenance of the System. If any BANs or Bonds are sold to the Authority as part of its IFA Program, so long as any of the BANs or Bonds are outstanding, no moneys derived from the revenues of the System shall be transferred to the General Fund of the City or be used for any purpose not connected with the System.

Section 13. Maintenance of Accounts: Investments. The Sinking Fund shall be deposited and maintained as a separate account or accounts from all other accounts of the City including, without limitation, any funds or accounts relating to any other utility of the City beyond the sewage works system. The O&M Fund and the Improvement Fund may be maintained in a single account or separate accounts, but such account or accounts, shall likewise be maintained separate and apart from all other accounts of the City (including, without limitation, any funds and accounts relative to any other utility of the City beyond the sewage works system) and apart from the Sinking Fund account or accounts. All moneys deposited in the Funds and Accounts created or continued by this ordinance shall be deposited, held and secured as public funds in accordance with the public depository laws of the State; provided that moneys therein may be invested in obligations in accordance with applicable laws, including INDIANA CODE 5-13, INDIANA CODE 5-1.2-1 through 5-1.2-4, INDIANA CODE 5-1.2-10 INDIANA CODE 5-1.2-11, INDIANA CODE 5-1.2-14 and/or INDIANA CODE 5-1.2-14.5, as amended or supplemented, and in the event of such investment, the income therefrom shall become a part of the funds invested and shall be used only as provided in this ordinance. Nothing in this Section or elsewhere in this ordinance shall be construed to require that separate bank accounts be established and maintained for the Funds and Accounts created or continued by this ordinance except that (a) the Sinking Fund and Construction Account shall be maintained as a separate bank account from the other Funds and Accounts of the sewage works system, and (b) the other Funds and Accounts of the sewage works system shall be maintained as

a separate bank account from the other funds and accounts of the City, including, without limitation, any other funds and accounts for any other utility of the City beyond the sewage works.

#### Section 14. Maintenance of Books and Records.

The City shall keep proper books of records and accounts, separate from all of its other records and accounts, in which complete and correct entries shall be made showing all revenues collected from the System, all disbursements made on account of the System and all other transactions relating to the System. There shall be furnished, upon written request, to any owner of the Bonds, the most recent audit report of the System prepared by the State Board of Accounts. Copies of all such statements and reports shall be kept on file in the office of the Clerk-Treasurer. If any BANs or the Bonds are sold to the Authority, the City shall establish and maintain the books and other financial records of the Projects (including the establishment of a separate account or subaccount for the Projects) and the System in accordance with (i) generally accepted governmental accounting standards for utilities, on an accrual basis, as promulgated by the Governmental Accounting Standards Board, and (ii) the rules, regulations and guidance of the State Board of Accounts.

Section 15. Rate Covenant. The City covenants and agrees that it will establish and maintain just and equitable rates and charges for the use of and the service rendered by the System, to be paid by the owner of each and every lot, parcel of real estate or building that is connected with and uses the System, or that in any way uses or is served by the System, at a level adequate to produce and maintain sufficient revenue (including user and other charges, fees, income or revenues available to the City) provided that System Development Charges shall be excluded, to the extent permitted by law, when determining if such rates and charges are sufficient so long as the Bonds are outstanding and owned by the Authority as part of its IFA Program, to provide for the timely payment of debt service on the Bonds and any Future Parity Bonds, to provide for Operation and Maintenance (as defined in the Financial Assistance Agreement) of the System, to comply with and satisfy all covenants contained in this ordinance and any Financial Assistance Agreement and to pay all obligations of the System and of the City with respect to the System. Such rates and charges shall, if necessary, be changed and readjusted from time to time so that the revenues therefrom shall always be sufficient to meet the expenses of Operation and Maintenance of the System and the requirements of the Sinking Fund. The rates and charges so established shall apply to any and all use of the System by and service rendered to the City and shall be paid by the City as the charges accrue.

#### Section 16. Defeasance of Bonds.

(a) If: (i) any of the Bonds shall have become due and payable in accordance with their terms or shall have been duly called for redemption or irrevocable instructions to call the Bonds or any portion thereof for redemption shall have been given, and the whole amount of the principal, the premium, if any, and the interest, so due and payable upon all of the Bonds or any designated portion thereof then outstanding shall be paid; or (ii) the City shall cause to be held in trust for the purpose of paying when due the principal of, premium, if any, and interest on the

Bonds or any designated portion thereof, money, together with direct obligations of (including obligations issued or held in book entry form on the books of) the Department of the Treasury of the United States of America, the principal of and the interest on which when due, will be sufficient, without reinvestment, to make such payments, and provision shall also be made for paying all fees and expenses for the redemption of such Bonds; then and in that case, such Bonds shall no longer be deemed outstanding or entitled to the pledge of the Net Revenues of the System.

(b) Notwithstanding the conditions set forth in Section 16(a) herein, so long as Rural Development is the owner of the Bonds, the Bonds shall not be defeased without the prior written consent of Rural Development.

Section 17. Additional BANs and Bonds. The City reserves the right to authorize and issue additional BANs at any time ranking on a parity with the BANs. The City reserves the right to authorize and issue Future Parity Bonds for the purpose of financing the cost of future additions to, extensions of and improvements to the System, or to refund obligations, subject to the following conditions:

(a) The principal of and interest on all bonds payable from the Net Revenues of the System shall have been paid in accordance with the terms thereof, and the amounts required to be paid into the Sinking Fund shall have been made to date in accordance with the provisions of this ordinance.

(b) The Net Revenues of the System in the fiscal year immediately preceding the issuance of any such Future Parity Bonds (provided, within the 90 day period following the end of such preceding fiscal year, if such year's account records are not final as of the sale date of the Future Parity Bonds, the fiscal year preceding such year may be used in lieu of the immediately preceding year) shall be not less than one hundred twenty-five percent (125%) of the maximum annual principal and interest requirements of the then outstanding bonds payable from the Net Revenues and the Future Parity Bonds proposed to be issued; or, prior to the issuance of such Future Parity Bonds, the sewer rates and charges shall be increased sufficiently so that such increased rates and charges applied to the previous year's operations (provided, within the 90 day period following the end of such preceding fiscal year, if such year's account records are not final as of the sale date of the Future Parity Bonds, the fiscal year preceding such year may be used in lieu of the immediately preceding year) would have produced Net Revenues for such year equal to not less than one hundred twenty-five percent (125%) of the maximum annual principal and interest requirements of the then outstanding bonds payable from the Net Revenues and the Future Parity Bonds proposed to be issued. For purposes of this subsection, the records of the System shall be analyzed and all showings shall be prepared by a certified public accountant employed by the City for that purpose. In addition, for purposes of this subsection, with respect to any Future Parity Bonds hereafter issued while the Bonds remain outstanding and owned by the Authority as part of its IFA Program, Net Revenues may not include any revenues from the System Development Charges unless the Authority provides its consent to include all or some portion of the System Development Charges as part of the Net Revenues or otherwise consents to the issuance of such Future Parity Bonds without satisfying this subsection (b).

(c) The principal of, or mandatory sinking fund redemption dates for, the Future Parity Bonds shall be payable semiannually on January 1 and July 1 and interest on the Future Parity Bonds shall be payable semiannually on January 1 and July 1.

(d) The Reserve Requirement shall be satisfied for the Future Parity Bonds either at the time of delivery of the Future Parity Bonds or over a five (5) year or shorter period, in a manner which is commensurate with the requirements established in Section 11(c) of this ordinance.

(e) If the Bonds are sold to the Authority: (i) the City obtains the consent of the Authority; (ii) each of the City and the Common Council has faithfully performed and is in compliance with each of its obligations, agreements and covenants contained in the Financial Assistance Agreement and this ordinance; and (iii) the City is in compliance with its National Pollution Discharge Elimination System permit, except for noncompliance, the elimination of which is a purpose for which the Future Parity Bonds, including any refunding bonds, are issued, so long as such issuance constitutes part of an overall plan to eliminate such noncompliance.

(f) If the Bonds are sold to Rural Development, the City obtains the consent of Rural Development, if required by the Letter of Conditions or the Rural Development Loan Resolution; provided, however, such consent shall not be required if proceeds of the Future Parity Bonds will be used to pay and redeem in full all parity bonds for which Rural Development is then the Registered Owner.

Section 18. Further Covenants. For the purpose of further safeguarding the interests of the owners of the BANs and the Bonds, it is specifically provided as follows:

(a) All contracts let by the City in connection with the construction of the Projects shall be let after due advertisement as required by the laws of the State, and all contractors shall be required to furnish surety bonds in an amount equal to one hundred percent (100%) of the amount of such contracts, to insure the completion of such contracts in accordance with their terms, and such contractors shall also be required to carry such employer's liability and public liability insurance as are required under the laws of the State in the case of public contracts and shall be governed in all respects by the laws of the State relating to public contracts.

(b) The Projects shall be constructed under the supervision and subject to the approval of the Engineers. All estimates for work done or material furnished shall first be checked by the Engineers and approved by the City.

(c) So long as any of the BANs or the Bonds are outstanding, the City shall at all times maintain the System in good condition and operate the same in an efficient manner and at a reasonable cost.

(d) So long as any of the BANs or the Bonds are outstanding, the City shall acquire and maintain insurance on the insurable parts of the system, of a kind and in an amount such as is usually carried by private corporations engaged in a similar type of business. All

insurance shall be placed with responsible insurance companies qualified to do business under the laws of the State. All insurance proceeds or condemnation proceeds shall be used in replacing or restoring the System or, with the prior written consent of the Authority if the BANs or the Bonds are sold to the Authority, may be deposited in the Sinking Fund.

(e) So long as any of the Bonds or BANs are outstanding, the City shall not mortgage, pledge or otherwise encumber the property and plant of its sewage works system, or any part thereof, nor shall it sell, lease or otherwise dispose of any part of the same, excepting only such machinery, equipment or other property as may be replaced, or shall no longer be necessary for use in connection with said utility, without the City obtaining the prior written consent of the Authority if the Bonds or BANs are sold to the Authority as part of its IFA Program.

(f) Except as otherwise specifically provided in Section 17 hereof, so long as any of the BANs or the Bonds are outstanding, no additional bonds or other obligations pledging any portion of the revenues of the System shall be authorized, executed, or issued by the City, except those as shall be made subordinate and junior in all respects to the Bonds herein authorized, unless the BANs and the Bonds are redeemed or defeased pursuant to Section 16 hereof coincidentally with the delivery of such additional bonds or other obligations.

(g) The City shall take all reasonable actions or proceedings necessary and proper, to the extent permitted by law, to require connection of all property where liquid and solid waste, sewage, night soil or industrial waste is produced with available sanitary sewer. The City shall, insofar as reasonably possible, and to the extent permitted by law, cause all such sanitary sewers to be connected to the Sewage Works.

(h) The City shall maintain an officer's fidelity bond for the Clerk-Treasurer for as long as Rural Development is the Registered Owner of the Bonds. A certified copy of such bond will be delivered to Rural Development upon request.

(i) The City shall comply with all conditions and requirements of this ordinance, the Letter of Conditions and any loan agreement with Rural Development, unless the City obtains an express written waiver from Rural Development of any such requirements.

(j) If the BANs or the Bonds are sold to the Authority, the City shall not without the prior written consent of the Authority (i) enter into any lease, contract or agreement or incur any other liabilities in connection with the System other than for normal operating expenditures or (ii) borrow any money (including without limitation any loan from other utilities operated by the City) in connection with the System.

(k) The provisions of this ordinance shall constitute a contract by and between the City and the owners of the BANs and the Bonds, all the terms of which shall be enforceable by any holder of the BANs or the Bonds by any and all appropriate proceedings in law or in equity. After the issuance of the BANs or the Bonds, this ordinance shall not be repealed, amended or modified in any respect which will adversely affect the rights or interests of the owners of the

BANs or the Bonds, nor shall the Common Council or any other body of the City adopt any law, ordinance or resolution which in any way adversely affects the rights of such owners so long as any of the BANs or the Bonds remain outstanding. Except for the changes set forth in Section 21(a)(1)-(7) of this ordinance, this ordinance may be amended, however, without the consent of the BAN or the Bond owners, if the Common Council determines, in its sole discretion, that such amendment would not adversely affect the rights of any of the owners of the BANs or the Bond; provided, however, that if the BANs or the Bonds are sold to the Authority, the City shall obtain the prior written consent of the Authority.

(l) The provisions of this ordinance shall be construed to create a trust in the proceeds of the sale of the BANs and the Bonds for the uses and purposes set forth herein, and the owners of the BANs and the Bonds shall retain a lien on such proceeds until the same are applied in accordance with the provisions of this ordinance and the Act. The provisions of this ordinance shall also be construed to create a trust in the portion of the Net Revenues herein directed to be set apart and paid into the Sinking Fund or the Improvement Fund for the uses and purposes of such Funds as set forth in this ordinance. The owners of the BANs and the Bonds shall have all of the rights, remedies and privileges set forth in the provisions of the Act, including the right to have a receiver appointed to administer the System, in the event the City shall fail or refuse to fix and collect sufficient rates and charges, or shall fail or refuse to operate and maintain said System and to apply the revenues derived from the operation thereof, or in the event of default in the payment of the principal of or interest on any of the Bonds or in the event of default in respect to any of the provisions of this ordinance or the Act. Upon the appointment of such receiver, the receiver may: (i) charge and collect rates sufficient to provide for the payment of the expenses of the operation, repair and maintenance of the System and debt service as provided in the next following clause; (ii) pay the interest on the BANs or the principal of, premium, if any, and interest on any bonds payable from Net Revenues; and (iii) apply the revenues of the System in conformity with the Act and this ordinance. In addition, any owner of the BANs and the Bonds may, by civil action, protect and enforce rights granted by the Act or under this ordinance in connection with any action or duty to be performed by the City, the Common Council or any officer of the City, including the making and collecting of reasonable and sufficient charges and rates for services provided by the System.

In addition, any owner of the BANs and the Bonds may, by civil action, protect and enforce rights granted by the Act or under this ordinance in connection with any action or duty to be performed by the City, the Common Council or any officer of the City, including the making and collecting of reasonable and sufficient charges and rates for services provided by the System as described in this ordinance.

(m) None of the provisions of this ordinance shall be construed as requiring the expenditure of any funds of the City derived from any source other than the proceeds of the BANs, the Bonds or the operations of the System.

(n) For purpose this Section 18, the term "lease" shall include any lease, contract, or other instrument conferring a right upon the City to use property in exchange for a periodic payments made from the revenues of the sewage works, whether the City desires to cause

such to be, or by its terms (or its intended effects) is to be, (i) payable as rent, (ii) booked as an expense or an expenditure, or (iii) classified for accounting or other purposes as a capital lease, financing lease, operating lease, non-appropriation leases, installment purchase agreement or lease, or otherwise (including any combination thereof).

Section 19. Investment of Funds.

(a) The Clerk-Treasurer is hereby authorized pursuant to INDIANA CODE 5-1-14-3, as amended, to invest moneys pursuant to the provisions of this ordinance (subject to applicable requirements of federal law to insure the yields on such investments are equal to the then current market rates) to the extent necessary or advisable to preserve the exclusion from gross income of interest on the BANs or the Bonds under federal law.

(b) The Clerk-Treasurer shall keep full and accurate records of investment earnings and income from moneys held in the Funds and Accounts continued by this ordinance. In order to comply with the provisions of the ordinance, the Clerk-Treasurer is hereby authorized and directed to employ consultants or attorneys from time to time to advise the City as to requirements of federal law to preserve the tax exclusion described above. The Clerk-Treasurer may pay the fees of such consultants or attorneys as operation expenses of the System.

Section 20. Tax Covenants. In order to preserve the exclusion of interest on the BANs and the Bonds from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as existing on the date of issuance of the BANs or the Bonds, as the case may be (the "Code"), and as an inducement to the purchasers of the BANs and the Bonds, the City represents, covenants and agrees that:

(a) The use of the System will be based upon arrangements providing for use that is available to the general public on the basis of rates that are generally applicable and uniformly applied, and, to the extent so used, such use shall constitute general public use. No person or entity, other than the City or another state or local governmental unit, will use more than 10% of the proceeds of the BANs or the Bonds or the property financed by the BAN or Bond proceeds, other than in a manner constituting general public use. No person or entity, other than the City or another state or local governmental unit, will own property financed by the BAN or Bond proceeds or will have actual or beneficial use of such property pursuant to a lease, management, service or incentive payment contract, or any other type of arrangement that conveys other special legal entitlements and differentiates that person's or entity's use of such property from general public use, unless such uses in the aggregate relate to no more than 10% of the proceeds of the BANs or the Bonds, as the case may be. If the City enters into a management contract for all or a portion of the System, the terms of the contract will comply with the Treasury Regulations issued by the United States Department of the Treasury (the "Regulations") and IRS Revenue Procedure 2017-13, and as such may hereafter be further amended, supplemented or superseded from time to time, so that the contract will not give rise to private business use under the Code and the Regulations, unless such use in the aggregate will not relate to more than ten percent (10%) of the proceeds of the BANs or the Bonds.

(b) No more than ten percent (10%) of the principal of or interest on the BANs or the Bonds is (under the terms of the BANs, the Bonds, this ordinance or any underlying arrangement), directly or indirectly, secured by an interest in property used or to be used for private business use or payments in respect of such property, or to be derived from payments (whether or not to the City) in respect of property or borrowed money used or to be used for a private business use.

(c) No more than five percent (5%) of the BAN or Bond proceeds will be loaned to any person or entity other than another state or local governmental unit. No more than five percent (5%) of the BAN or Bond proceeds will be transferred, directly or indirectly, or deemed transferred to a nongovernmental person in any manner that would in substance constitute a loan of the BAN or Bond proceeds.

(d) The City reasonably expects, as of the date hereof, that the BANs and the Bonds will not meet either the private business use test described in paragraphs (a) and (b) above or the private loan test described in paragraph (c) above during the entire term of the BANs and the Bonds.

(e) No more than five percent (5%) of the proceeds of the BANs or the Bonds will be attributable to private business use as described in paragraph (a) above and private security or payments described in paragraph (b) above attributable to unrelated or disproportionate private business use. For this purpose, the private business use test is applied by taking into account only use that is not related to any government use of proceeds of the issues and use that is related but disproportionate to any governmental use of those proceeds.

(f) The City will not take any action nor fail to take any action with respect to the BANs or the Bonds that would result in the loss of the exclusion from gross income for federal tax purposes of interest on the BANs or the Bonds pursuant to Section 103 of the Code, nor will the City act in any other manner which would adversely affect such exclusion.

(g) It shall not be an event of default under this ordinance if the interest on any BANs or Bonds is not excludable from gross income for federal tax purposes or otherwise pursuant to any provision of the Code which is not currently in effect and in existence on the date of issuance of the BANs or the Bonds, as the case may be.

(h) The City represents that it will rebate any arbitrage profits to the United States of America to the extent required by the Code and the Regulations.

(i) These covenants are based solely on current law in effect and in existence on the date of delivery of the BANs or the Bonds, as the case may be.

(j) Notwithstanding any other provisions of this ordinance, the covenants and authorizations contained in this ordinance (the "Tax Sections"), which are designed to preserve the exclusion of interest on the BANs and the Bonds from gross income under federal law (the

“Tax Exemption”), need not be complied with if the City receives an opinion of nationally recognized bond counsel that any Tax Section is unnecessary to preserve the Tax Exemption.

(k) Notwithstanding any other provisions of this ordinance to the contrary, the City may elect to issue a series of the Bonds, the interest on which is not excludable from gross income for federal tax purposes, so long as such election does not adversely affect the exclusion from gross income of interest for federal tax purposes on any other series of Bonds, by making such election on the date of delivery of such series of Bonds. In such case, the Tax Sections in this ordinance shall not apply to such series of Bonds.

Section 21. Amendments with Consent of Bondholders.

(a) Subject to the terms and provisions contained in this Section and Section 18(i) of this ordinance, and not otherwise, the owners of not less than sixty-six and two-thirds percent (66 2/3%) in aggregate principal amount of the Bonds then outstanding shall have the right, from time to time, anything contained in this ordinance to the contrary notwithstanding, to consent to and approve the adoption by the Common Council of such ordinance or ordinances supplemental hereto or amendatory hereof, as shall be deemed necessary or desirable by the Common Council for the purpose of modifying, altering, amending, adding to or rescinding in any particular any of the terms or provisions contained in this ordinance or any supplemental ordinance; provided, however, that if the BANs or Bonds are sold to the Authority, the City shall obtain the prior written consent of the Authority; and provided, further that nothing herein contained shall permit or be construed as permitting:

(1) An extension of the maturity of the principal of or the due date of interest on any BAN or Bond; or

(2) A reduction in the principal amount of any BAN or Bond or the redemption premium or the rate of interest thereon; or

(3) The creation of a lien upon or a pledge of the revenues or Net Revenues of the System ranking prior to the pledge thereof created by this ordinance; or

(4) A preference or priority of any BAN or BANs over any other BAN or BANs or of any Bond or Bonds over any other Bond or Bonds; or

(5) A reduction in the aggregate principal amount of the Bonds required for consent to such supplemental ordinance; or

(6) A reduction in the Reserve Requirement; or

(7) The extension of mandatory sinking fund redemption dates for the Bonds, if any.

(b) If the owners of not less than sixty-six and two-thirds percent (66 2/3%) in aggregate principal amount of the Bonds outstanding at the time of adoption of such supplemental ordinance shall have consented to and approved the adoption thereof by written instrument to be maintained on file in the office of the Clerk-Treasurer, no owner of any Bond shall have any right to object to the adoption of such supplemental ordinance or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Common Council from adopting the same, or from taking any action pursuant to the provisions thereof; provided, however, that if any BANs or Bonds are sold to the Authority, the City shall obtain the prior written consent of the Authority. Upon the adoption of any supplemental ordinance pursuant to the provisions of this Section, this ordinance shall be, and shall be deemed, modified and amended in accordance therewith, and the respective rights, duties and obligations under this ordinance of the City and all owners of Bonds then outstanding, shall thereafter be determined, exercised and enforced in accordance with this ordinance, subject in all respects to such modifications and amendments. Notwithstanding anything contained in the foregoing provisions of this ordinance, the rights and obligations of the City and the owners of the Bonds, and the terms and provisions of the Bonds and this ordinance, or any supplemental ordinance, may be modified or altered in any respect with the consent of the City and the owners of all the Bonds then outstanding.

Section 22. Issuance of BANs.

(a) The City, having satisfied all the statutory requirements for the issuance of the Bonds, may elect to issue the BAN or BANs to a financial institution, or any other purchaser (if then authorized by State law), pursuant to a Bond Anticipation Note Purchase Agreement (the "Bond Anticipation Note Agreement") to be entered into between the City and the purchaser of the BAN or BANs, but only if such Agreement is deemed necessary by Bond Counsel. If the BANs are sold to the Authority through the IFA Program, the Financial Assistance Agreement shall serve as the Bond Anticipation Note Agreement. The Common Council hereby authorizes the issuance and execution of the BAN or BANs in lieu of initially issuing the Bonds to provide interim financing for the Projects until permanent financing becomes available and, if deemed appropriate, to refund such BAN or BANs and to pay the costs of issuance of the BANs. It shall not be necessary for the City to repeat the procedures for the issuance of the Bonds, as the procedures followed before the issuance of the BAN or BANs are for all purposes sufficient to authorize the issuance of the Bonds and the use of the proceeds to repay the BAN or BANs.

(b) The Mayor and the Clerk-Treasurer are hereby authorized and directed to execute a Bond Anticipation Note Agreement, if any (and any amendments made from time to time) in such form or substance as they shall approve, acting upon the advice of Bond Counsel. The Mayor and the Clerk-Treasurer may take such other actions or execute and deliver such certificates as are necessary or desirable in connection with the issuance of the BANs or the Bonds and the other documents needed for the financing as any one of them deem necessary or desirable in connection therewith.

Section 23. Redemption of the 2023 BAN. The Mayor and the Clerk-Treasurer are hereby authorized and directed to execute and deliver a Notice of Redemption to the holder of the 2023 BAN in such form or substance as they shall approve, acting upon the advice of Bond Counsel. The Mayor and the Clerk-Treasurer may take such other actions or execute and deliver such payments and certificates as are necessary or desirable in connection with the redemption of the 2023 BAN and the other documents needed for the redemption of the 2023 BAN as any one of them deem necessary or desirable in connection therewith.

Section 24. Rate Ordinance. The Common Council will adopt its Rate Ordinance, which sets forth the rates and charges applicable to the System, prior to the sale of the Bonds.

Section 25. Continuing Disclosure. If necessary in order for the purchaser of the BANs or the Bonds to comply with Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended (the "Rule"), the Mayor and the Clerk-Treasurer are hereby authorized to execute and deliver, in the name and on behalf of the City, (i) an agreement by the City to comply with the requirements for a continuing disclosure undertaking of the City pursuant to subsection (b)(5) or (d)(2) of the Rule, and (ii) amendments to such agreement from time to time in accordance with the terms of such agreement (the agreement and any amendments thereto are collectively referred to herein as the "Continuing Disclosure Agreement"). The City hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. The remedies for any failure of the City to comply with and carry out the provisions of the Continuing Disclosure Agreement shall be as set forth therein.

Section 26. Audit Requirements of Rural Development. So long as Rural Development is the Registered Owner of the Bonds, if the City expends in any fiscal year \$750,000 or more in federal financial assistance, the City must submit an audit performed in accordance with the requirements of OMB circular A-133. If the City expends in any fiscal year less than \$750,000 in federal financial assistance, but has debt owing to Rural Development, including the Bonds, in an amount of \$1,000,000 or more, the City must submit an audit to Rural Development performed in accordance with generally accepted government auditing standards. If the City expends in any fiscal year less than \$750,000 in federal financial assistance and has debt owing to the U.S. Government, including the Bonds, in an amount less than \$1,000,000, the City may, with Rural Development's approval, submit a management report in lieu of an audit report. On an annual basis, Rural Development will review the City's financial condition and management practices to determine whether a management report or an audit report will be required.

Section 27. Conflicting Ordinances. All prior ordinances and parts of prior ordinances, insofar as they are in conflict herewith, are hereby repealed.

Section 28. Effective Date. This ordinance shall be in full force and effect from and after its passage and execution by the Common Council and ratification by the Mayor.

Subject to Section 2.05 and 2.06 herein, the Bonds will mature on January 1 and July 1 of each of the years set forth in, and at the principal amount set opposite each such month and year set forth in the schedule contained in the attached Exhibit B to this Agreement (which is hereby incorporated by reference); provided, however, notwithstanding the foregoing or the terms of the Bonds to the contrary, no maturity of Bonds shall extend beyond the date which is thirty-five (35) years after the date of this Agreement. If the maturity date for any Bonds is beyond such date, unless otherwise agreed to, such Bonds, together with accrued and unpaid interest thereon, will be due and payable on such date.

(b) The Bonds will be subject to redemption by the Participant as provided in the Authorizing Instrument; provided however that in no event shall the Participant exercise any provision contained in the Authorizing Instrument or the Bonds permitting a redemption of the Bonds at the option of the Participant unless and until such has been consented by the Authority. The Loan, and the Bonds evidencing it, will be subject to payment by the Participant as provided in this Agreement.

(c) The form and other terms of the Bonds will be in conformity with the Authorizing Instrument.

(d) The additional terms contained in the attached Exhibit D are applicable to this Loan (as and to the extent set forth in Exhibit D) to the same effect as if such were set forth in this section.

**Section 2.03. Disbursement Conditions.** Each of the following shall be a condition precedent to the disbursement of the Loan or any portion thereof (including from the Construction Fund):

(b) No representation, warranty or covenant of the Participant contained in this Agreement or in any paper executed and delivered in connection with the transactions contemplated by this Agreement shall be false or inaccurate in any material respect.

(c) The Participant shall undertake and faithfully perform each of its obligations, agreements and covenants contained in this Agreement, the Authorizing Instrument and the Bonds.

(d) There shall be available to the Finance Authority uncommitted funds in an amount sufficient to satisfy the Finance Authority's obligations hereunder from the proceeds of Finance Authority Bonds in the Purchase Account or from other sources that the Finance Authority may, in its sole discretion, designate; provided however, once Loan proceeds have been deposited in the Construction Fund, such condition shall be deemed satisfied.

(e) The Participant shall have undertaken all actions necessary to comply with and satisfy the conditions and requirements for a Loan secured with money made available from the Wastewater SRF Fund as set forth in federal and State statutes, rules and regulations, including I.C. 5-1.2-10, SRF Policy Guidelines, the Clean Water Act and 40 C.F.R. Part 35.

(f) Prior to making any Loan disbursement to pay any Construction costs, the Project shall have been approved by the State's Historical Preservation Officer in a manner consistent with the policies and practices of the Wastewater SRF Program (the "Historical Preservation Approval"). Notwithstanding any provision of this Agreement to the contrary, in the event a Historical Preservation Approval has not been given within four (4) months after the date of this Agreement, the Finance Authority may, in its sole discretion, (i) reduce the aggregate amount of the Loan to the amount then disbursed and outstanding under this

Agreement and (ii) if any amounts are held in the Construction Fund, require a Loan Reduction Payment pursuant to Section 2.06 herein as if it were a date that was three (3) years after the dated date of the Bonds. Upon giving notice to the Participant of such action, no further Loan disbursement (including from the Construction Fund) may be made under this Agreement unless consented to by the Finance Authority.

(g) In the event the Bonds are payable from rates and charges of the Treatment Works and if requested by the Finance Authority, the Participant shall provide evidence satisfactory to the Finance Authority demonstrating that such rates and charges are at a level adequate to produce and maintain sufficient net revenue after providing for the proper Operation and Maintenance of the Treatment Works, on a proforma basis consistent with SRF Policy Guidelines, to provide 1.25x coverage on all obligations of the Treatment Works (including the Bonds).

**Section 2.04. Disbursement Procedures.** Loan proceeds (including any held from time to time in the Construction Fund) shall be disbursed to the Participant by the Disbursement Agent for actual Eligible Costs incurred with respect to the Project. The Finance Authority may, in its discretion, cause Loan disbursements to be made (a) directly to the person or entity identified in the Disbursement Request to whom payment is due, or (b) if advised in writing by the Participant that I.C. 36-1-12-14 or a similar law applies to the Project, to the Participant for purposes of collecting retainage, or some combination thereof. Any Loan proceeds in excess of the amount subject to retainage controlled by the Participant will be immediately remitted to the person or entity to whom payment is due, no later than three (3) Business Days after receipt or the date such Loan proceeds are no longer subject to retainage. The Finance Authority may, in its discretion, cause Loan disbursements to be made from time to time, in whole or in part, to the Participant's Construction Fund for disbursement consistent with this Agreement. Loan disbursements shall not be made more frequently than monthly and shall only be made following the submission of a Disbursement Request to the Finance Authority. Disbursement Requests shall be approved by the Director of Environmental Programs prior to submission to the Disbursement Agent for a Loan disbursement. Disbursement Requests shall be numbered sequentially, beginning with the number 1.

**Section 2.05. Effect of Disbursements.** Loan disbursements made to or for the benefit of the Participant shall be deemed to be a purchase of the Bonds in such amounts and with such maturities as achieves as level debt service as practicable, and with no maturity longer than the original maturity schedule; provided that any principal payments originally scheduled under Section 2.02 herein as being due prior to one year after Substantial Completion of Construction shall first be deemed to be a purchase of the Bonds in order of maturity. The deposit of Loan proceeds in the Construction Fund shall be deemed to be a purchase of the Bonds. Interest on the Loan commences on disbursement of the Loan to or for the benefit of the Participant (including any amounts disbursed to the Construction Fund) by the Finance Authority and the Bonds shall be deemed to be purchased in the full amount thereof. Each disbursement (including any amounts disbursed from the Construction Fund) shall be made pursuant to a Disbursement Request. In the event any Loan disbursement (including any amounts disbursed from the Construction Fund) shall be made in excess of Eligible Costs, such excess disbursements shall be immediately paid by the Participant to the Disbursement Agent (and if made from any amounts held in the Construction

Fund, shall be immediately deposited by the Participant into such Construction Fund) and thereafter may, subject to the terms and conditions set forth in this Agreement, be applied thereafter to pay Eligible Costs of the Project by the Participant.

**Section 2.06. Acknowledgment of Amount of Loan; Final Disbursement.** (a) Within 30 days after any request by the Finance Authority from time to time, the Participant shall execute and deliver to the Finance Authority an acknowledgment in the form prescribed by the Finance Authority which acknowledges the outstanding principal of and interest on the Bonds. Unless the Finance Authority consents in writing, no Loan disbursement shall be made more than one year after Substantial Completion of Construction. After Substantial Completion of Construction, upon the request of the Finance Authority, the Participant shall replace, at its expense, the Bonds with substitutes issued pursuant to the Authorizing Instrument to evidence the outstanding principal under the Loan.

(b) In the event there remains a balance (inclusive of Loan proceeds and any earnings) in the Construction Fund on the date that is the earlier of (i) one year after Substantial Completion of Construction or (ii) three (3) years after the dated date of the Bonds (or in either such circumstance, such later date as the Finance Authority may approve in its discretion), the Participant agrees to make a Loan Reduction Payment, to the Finance Authority within 10 days after any Finance Authority written demand. Any Loan Reduction Payment shall be applied to pay principal in such amounts and with such maturities as achieves as level debt service as practicable consistent with methodology prescribed in the Authorizing Instrument and as originally applied to the Bonds, and with no maturity longer than the original maturity schedule; provided that any principal payments originally scheduled under Section 2.02 herein as being due prior to the Loan Reduction Payment shall be unaffected by such payment. If the Authorizing Instrument permits the Participant to apply Bond proceeds to pay interest accruing on or before Substantial Completion of Construction, the Participant may seek to reimburse itself for such interest costs it has paid pursuant to a Disbursement Request provided. If the Participant fails to make such Loan Reduction Payment by such date, the Finance Authority and Deposit Agreement Counterparty are authorized to cause any balance held in the Construction Fund to be so applied without further direction and authorization from the Participant. Notwithstanding the foregoing, if requested by the Finance Authority, in lieu of the Participant making a Loan Reduction Payment, the Finance Authority may in its discretion require the Participant to hold any remaining balance (inclusive of Loan proceeds and any earnings) in the Construction Fund until such amounts may be applied on the first optional redemption date applicable to the Bonds, and upon any such request, the Participant agrees to cause such amounts to be so held and applied on such date.

The Participant understands that (i) each contract and subcontract related to the Project is subject to audit by appropriate federal and state entities and (ii) failure to comply with the Clean Water Act and this Agreement may be a default hereunder that results in a repayment of the Loan in advance of the maturity of the Bonds and/or other remedial actions.

(w) Whenever from time to time requested by the Finance Authority, submit evidence satisfactory to the Finance Authority demonstrating that the Participant's rates and charges are at a level adequate to produce and maintain sufficient net revenue after providing for the proper Operation and Maintenance of the Treatment Works, on a proforma basis consistent with SRF Policy Guidelines, to provide 1.25x coverage on all obligations of the Treatment Works (including the Bonds) and, in the event the Participant's rates and charges are insufficient to demonstrate such coverage, then to the extent permitted by law annually enact an increase in its rates and charges reasonably designed to be consistent with SRF Policy Guidelines regarding such coverage.

(c) By all required action, the Participant has duly adopted the Authorizing Instrument and authorized the execution and delivery of this Agreement, the Bonds and all other papers delivered in connection herewith.

(d) Neither the execution of, nor the consummation of the transaction contemplated by, this Agreement nor the compliance with the terms and conditions of any other paper referred to herein, shall conflict with, result in a breach of or constitute a default under, any indenture, mortgage, lease, agreement or instrument to which the Participant is a party or by which the Participant or its property, including the Treatment Works, is bound or any law, regulation, order, writ, injunction or decree of any court or governmental agency or instrumentality having jurisdiction.

(e) There is no litigation pending or, to the knowledge of the Participant, upon investigation, threatened that (1) challenges or questions the validity or binding effect of this Agreement, the Authorizing Instrument or the Bonds or the authority or ability of the Participant to execute and deliver this Agreement or the Bonds and perform its obligations hereunder or thereunder or (2) would, if adversely determined, have a significant adverse effect on the ability of the Participant to meet its obligations under this Agreement, the Authorizing Instrument or the Bonds.

Each of the foregoing representations and warranties will be deemed to have been made by the Participant as of the date of this Agreement and as of the date of any disbursement of Loan proceeds (including from the Construction Fund). Each of the foregoing representations and warranties shall survive the Loan disbursements regardless of any investigation or investigations the Finance Authority may have undertaken.

Within 30 days following a request by the Finance Authority, the Participant covenants and agrees with the Finance Authority that the Participant will, at its expense, furnish any information, financial or otherwise, with respect to the Participant, this Agreement, the Authorizing Instrument and the Bonds and the Treatment Works as the Finance Authority reasonably requests in writing to facilitate the sale or assignment of the Bonds.

The Participant further covenants that it will not do any act or thing that would cause the Bonds to be "private activity bonds" within the meaning of Section 141 of the Code or "arbitrage bonds" within the meaning of Section 148 of the Code. In furtherance and not in limitation of the foregoing, the Participant shall take all action necessary and appropriate to

comply with the arbitrage rebate requirements under Section 148 of the Code to the extent applicable to the Participant or the Bonds, including accounting for and making provision for the payment of any and all amounts that may be required to be paid to the United States of America from time to time pursuant to Section 148 of the Code.

The obligations of the Finance Authority hereunder do not create a debt or a liability of the Finance Authority or the State under the constitution of the State or a pledge of the faith or credit of the Finance Authority or the State and do not directly, indirectly or contingently, obligate the Finance Authority or the State to levy any form of taxation for the payment thereof or to make any appropriation for their payment. **Additional Terms**

A. *The following additional terms in this Paragraph A are [NOT] applicable to the Loan:*

**“Equivalency Project”** shall mean a project designated by the Finance Authority as an “equivalency project” under the Clean Water Act related to the “US Environmental Protection Agency Capitalization Grant for Clean Water State Revolving Funds” for the federal fiscal year ending September 30, 2022 (or such later federal fiscal year as the Finance Authority may otherwise designate).

**“A/E Services”** shall mean professional services related to the Planning or Design of the Project including for program management, construction management, feasibility studies, preliminary engineering, design, engineering, surveying, mapping, or architectural related services.

**“BIL”** shall mean the Bipartisan Infrastructure Law (BIL) (P.L. 117-58), also known as the “Infrastructure Investment and Jobs Act of 2021” (IIJA), signed into law on November 15, 2021.

The Participant understands and acknowledges that the Project has been designated as an Equivalency Project and is required to meet the related applicable requirements of the Clean Water Act which among other requirements requires that for costs of Planning or Design (including costs for A/E Services) to be treated as Eligible Costs under this Agreement, such services (and the related contract) are required to be negotiated in the same manner as a contract for architectural and engineering services as negotiated under chapter 11 of title 40, United States Code (as amended). In connection with any request for disbursement of the Loan that is submitted by the Participant to the Finance Authority to provide for the payment of any costs of Planning or Design (including costs for A/E Services), the Participant represents and warrants that such costs relate only to services provided under a contract negotiated in the same manner as a contract for architectural and engineering services as negotiated under chapter 11 of title 40, United States Code (as amended).

The Participant further understands and agrees that it is required to comply with all terms of 2 CFR 200.216, Prohibition on certain telecommunication and video surveillance services or equipment, which among other requirements prohibits the use of Loan proceeds by the Participant to procure (by means of entering into, extending, or renewing contracts) or obtain equipment, systems or services that use “covered telecommunications equipment or services” identified in the regulation as a substantial or essential component of any Treatment Works, or as critical technology as part of any Treatment Works. Such prohibitions extend to the use of Loan proceeds by the Participant to enter into a contract with an entity that “uses any equipment, system, or service that uses covered

telecommunications equipment or services” as a substantial or essential component of any Treatment Works, or as critical technology as part of any Treatment Works. The Participant represents and warrants that it has not procured or obtained from Loan proceeds equipment, systems or services that use “covered telecommunications equipment or services” identified in the regulation as a substantial or essential component of any Treatment Works, or as critical technology as part of any Treatment Works.

The Participant further understands and agrees that it shall comply with all federal requirements applicable to the assistance received (including those imposed by BIL) which the Participant understands includes, but is not limited to, the following requirements: that all of the iron and steel, manufactured products, and construction materials used in the Project are to be produced in the United States ("Build America, Buy America Requirements") unless (i) the Participant has requested and obtained a waiver from the cognizant Agency pertaining to the Project or the Project is otherwise covered by a general applicability waiver; or (ii) all of the contributing Agencies have otherwise advised the Participant in writing that the Build America, Buy America Requirements are not applicable to the Project.

The Participant further understands and agrees that it shall comply with all record keeping and reporting requirements under all applicable legal authorities, including any reports required by the Finance Authority or the Agency, such as performance indicators of program deliverables, information on costs and progress of the Project. The Participant understands that (i) each contract and subcontract related to the Project is subject to audit by appropriate federal and state entities and (ii) failure to comply with the applicable legal requirements and this Agreement may result in a default hereunder that results in a repayment of the Loan in advance of the maturity of the Bonds, termination and/or repayment of grants, cooperative agreements, direct assistance or other types of financial assistance, and/or other remedial actions.

The Participant further understands and agrees that it shall comply with (i) Executive Order 14030, regarding Climate-Related Financial Risk and (ii) Executive Order 13690, regarding Flood Risk Management Standards.

The Participant further understands that the Project is being financed, in whole or in part, with BIL funds, and shall place a physical sign displaying the official *Building a Better America* emblem and Agency logo at the site of the Project.

**“GPR Projects”** shall mean Project components that meet the requirement of the “Green Project Reserve (GPR) Sustainability Incentive Program” consistent with SRF Policy Guidelines including applicable requirements of the Wastewater SRF Act.

**“GPR Projects Adjustment Fee”** shall mean an amount which would equal the gross additional interest that would have accrued on the Bonds from the date of this Agreement

through their scheduled final maturity, had such Bonds been issued at an interest rate determined under the Wastewater SRF Program's interest rate policies and practices using the final, actual GPR Projects Expenditures (rather than the GPR Projects Business Case Amount), all as determined by the Finance Authority.

**"GPR Projects Business Case Amount"** shall mean the amount referenced in the Participant's business case related to GPR Projects as was set in the Participant's Preliminary Engineering Report (or categorical exclusion) posted at [www.srf.in.gov](http://www.srf.in.gov), uses of funds information submitted to the Finance Authority after the Project was bid or some other submitted information that was used by the Finance Authority prior to the date of this Agreement to set a special interest rate under the Wastewater SRF Program's interest rate policies and practices applicable to the Bonds.

**"GPR Projects Expenditures"** shall mean those costs and expenses incurred by the Participant that are part of the Project which are GPR Projects in nature (within the meaning of the Wastewater SRF Act) as determined by the Finance Authority, in order for the Bonds to receive special interest rate treatment under the Wastewater SRF Program's interest rate policies and practices.

The Participant understands and acknowledges that a special interest rate has been applied to the Bonds as a result of a portion of the Project having been identified by the Participant as being a GPR Projects project. In the event GPR Projects Expenditures are hereafter determined by the Finance Authority to be less than the GPR Projects Business Case Amount, then the Finance Authority may request and the Participant shall promptly pay (no later than thirty (30) days after any request), a GPR Projects Adjustment Fee in connection with the Loan. The Participant shall certify to the Finance Authority those Loan disbursements it represents to be its GPR Projects Expenditures when and as required by SRF Policy Guidelines. The Participant understands and acknowledges that it is required to submit a business case or categorical exclusion documenting the GPR Projects and the GPR Projects Business Case Amount prior to loan closing or if a request is made pursuant to Section 3.02(f) of this Agreement.

**"Non-point Source Adjustment Fee"** shall mean an amount which would equal the gross additional interest that would have accrued on the Bonds from the date of this Agreement through their scheduled final maturity, had such Bonds been issued at an interest rate determined under the Wastewater SRF Program's interest rate policies and practices using the final, actual Non-point Source Expenditures (rather than the amount referenced in the Participant's post-bid and other documents submitted to the Finance Authority), all as determined by the Finance Authority.

**“Non-point Source Expenditures”** shall mean those costs and expenses incurred by the Participant that are Non-point Source Projects in order for the Bonds to receive special interest rate treatment under the Wastewater SRF Program’s interest rate policies and practices.

**“Non-point Source Projects Amount”** shall mean the amount referenced in the Participant’s post-bid and other documents submitted to the Finance Authority prior to the date of this Agreement to set a special interest rate under the Wastewater SRF Program’s interest rate policies and practices applicable to the Bonds

**“Non-point Source Projects”** shall mean Project components that meet the requirement of SRF Policy Guidelines and the Wastewater SRF Act to be non-point source in nature as determined by the Finance Authority.

The Participant understands and acknowledges that a special interest rate has been applied to the Bonds as a result of a portion of the Project having been identified by the Participant as being a non-point source project. In the event Non-point Source Expenditures are hereafter determined by the Finance Authority to be less than the Non-point Source Projects Amount, then the Finance Authority may request and the Participant shall promptly pay (no later than thirty (30) days after any request), a Non-point Source Adjustment Fee in connection with the Loan. The Participant shall certify to the Finance Authority those Loan disbursements it represents to be its Non-point Source Expenditures when and as requested by SRF Policy Guidelines.
